

2024 ANNUAL REPORT TO THE MEMBERS

NORTH TEXAS SOCIETY OF HISTORY & CULTURE

Open Letter from Tracy Mesler, President: May 2025:

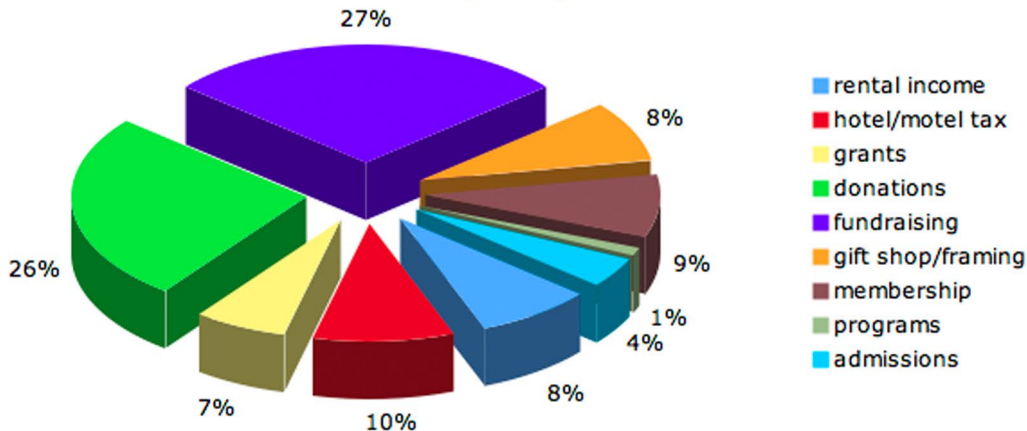

Last year we completed a 2-year restoration project of two of the leather art creations by Dell Motley. These large biblical-themed pieces had been in storage since her death in 1997, and now are on display in our conference room along with her other life's work. Soon Dell's final piece, the unfinished Noah's Ark tribute, will also be on display, showcasing the steps Dell took to create her leather art.

We also completed our first phase of concrete sidewalks in our "back yard" and installed better security lighting. We continue to look for ways to improve our grounds and better serve our community and our visitors.

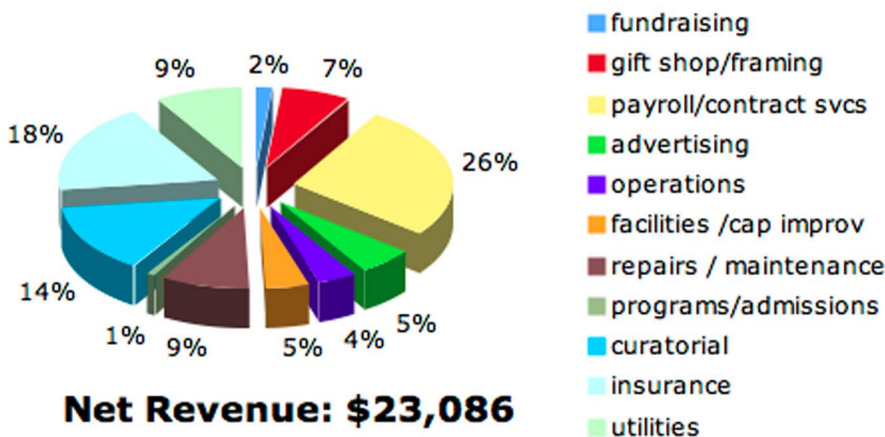

We want to thank all who volunteered their time, made contributions of any kind, and have continued to support us throughout the year. THANK YOU!
